

This year, Nate's Place is taking our most meaningful step to secure our services in the LONG TERM by *PURCHASING* a new building in Oxnard. This capital campaign for over 1.4 Acres will allow Nate's Place to continue our unmatched programming, expand our reach and add 12 Emergency Peer Respite Beds for Transitional Aged Youth.

The building grant we've applied for has a challenge component that requires us to secure 10% of Total Grant Funds for disbursement. For Nate's Place, that means we need to raise \$600K by October 2026!

As a cherished donor, we want to enlist your help by asking you to:

- **Share Our Message with Others, inspiring them to donate.**
- **Ask your Company to make a charitable donation on your behalf.**
- **And if you're able, please consider increasing your donation for this very important year. This can be a monthly recurring or one time donation. WE GOT THIS!**

Nate's Place, A Wellness and Recovery Center was founded in honor of Nathan Rhoades: a bright young man who made a huge impact on the world inside of his 21 short years. When Nate struggled with addiction he was blessed to find successful recovery at an early age. All thanks to a simple yet effective recovery recipe. Nate's "Recovery Recipe" includes a mixture of:

- **1:1 Peer Recovery Coaching,**
- **Healthy Recreational Activities and**
- **Support and Education Groups**

That recovery recipe is exactly what Nate's Place models and it works! We have been proudly serving Ventura County's youth and young adults since February of 2023! We thank you for your support over the years and promise to continue proudly serving you and our community into the future.
